Welcome to The Heritage Institute, a comprehensive, distinct, motivating, and affordable source of K-12 educator professional development courses.

The Heritage Institute has been a leader in educator professional development inspiring teachers in the Pacific Northwest, nationally and internationally since 1978. Our experienced instructors and classroom-tested curriculum will help you make a difference in your classroom.

K-12 teachers appreciate our commitment to educate the whole child through courses that honor teacher and student strengths, the power of caring connections, and the development of character, along with the acquisition of content.

All our courses are self-paced and you may register at any time. Once registered you have six (6) months to complete. At The Heritage Institute we respond to changes that affect us all. Additional courses in Distance Teaching and in the area of Social Justice have been added.

Whether in the classroom, via remote teaching, or in a hybrid format we support teachers by offering courses to help you reach your students effectively. All courses are available for Antioch University continuing education quarter-system credit. See the conversion table above for the quarter-system to semester-system equivalents.

Antioch University is accredited by the Higher Learning Commission, 230 South Lasalle St., Chicago, IL. 60604; 800.621.7440. Antioch continuing education credits may be used to maintain your teaching certificate and for salary enhancement. Please check with your faculty advisor, state office or district administrator before registering to ensure our program meets your requirements.

Please review our policies page for more information or contact our office if you have questions or would prefer to register by phone or mail. We look forward to providing you with continuing education that offers inspiration along with high academic standards.

SPECIAL COURSES

Distance Teaching

DIGITAL PHOTOGRAPHY

In 2020 educators witnessed the emergence of a new model for teaching and learning. Whether online virtual, home based, or brick and motor, educators are rapidly discovering the power of integrating smartphones, tablets, and apps into their curricular environment. Using interactive photography editing apps, Google web-sites, creative digital videos, and the power of project-based learning, your K-12 students will be eager to learn. Text is about \$14.

INSTRUCTOR: Debora Supplitt, M.Ed.
COURSE NO: ED471R, ED571R
6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

DISTANCE LEARNING

Want to virtually connect and support your students effectively? This course will help. You will learn ways to create, facilitate, and distribute content to your virtual learners. Educators will create motivational and relevant K-12 classroom activities, obtain teacher support materials, and access assessment tools. Host a digital classroom with confidence, become competent using video-based conferencing, and more. All materials are free online.

INSTRUCTOR: Chris Hill, M.E.T.
COURSE NO: CM403J, CM503J
5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PDU

GOING THE DISTANCE : Online K-8 Math

Distance Teaching requires new teaching modalities. Dive into digital tools like FlipGrid, Edupuzzle, Padlet, and Google Slides to create elementary and middle school math that will engage K-8 learners and develop their mathematical thinking. Your students will grasp numbers and operations, measurement and data, algebraic thinking, geometry, and fractions. You will foster math discourse and daily math routines. Text, by the instructor, is \$9 on Amazon.

INSTRUCTOR: Patricia Dickenson, Ed.D.
COURSE NO: ED471T, ED571T
6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

GOOGLE APPS FOR EDUCATORS & SCHOOLS

Google has a wide range of apps that can enhance your K-12 lessons. Designed for educators and schools, these apps support teachers in collaboration and in resource sharing, provide you a bridge to parents and community, engage students and more. In addition to learning and implementing Google Apps, you will create motivational and relevant classroom activities, teacher support materials, and assessment tools. Materials are free online.

INSTRUCTOR: Chris Hill, M.E.T.
COURSE NO: CM401P, CM501P
6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

GOOGLE CLASSROOM

Broaden your instructional tools by learning to use Google Classroom. You can create enhanced K-12 assignments, make announcements, start discussions, keep organized, boost student engagement and implement real-time communications. You will develop your own Google classroom and implement a lesson. Collaborate with colleagues too. Open to educators who have already adopted Google Apps for Education. No additional fees. All course materials are free online.

INSTRUCTOR: Charity Staudenraus, M.A.T.
COURSE NO: CM402P, CM502P
5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PDU

GOOGLE CLASSROOM 2.0

Use of Google Classroom will create a more organized, coherent classroom geared toward student success. You will maximize communication with guardians. Discussions, rubrics, and grading will also be explored. You will experiment with add-on functions to tailor learning to individual needs. For K-12 educators proficient in Google Classroom. Collaboration is possible. No required text, all materials are free on-line.

INSTRUCTOR: Charity Staudenraus, M.A.T.
COURSE NO: CM402Y, CM502Y
5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PDU

GOOGLE CLASSROOM 3.0 NEW

Explore features that are desperately needed for successful Distance Teaching. Get practice attaching and annotating PDF files, grading and returning question answers, and attaching videos you created. You will also complete an individual assignment where you explore the EDU 90 series. These advanced Google Classroom elements will advance your own Google Classroom skills while improving your instruction and engaging your K-12 students. All materials are free on-line.

INSTRUCTOR: Charity Staudenraus, M.A.T.
COURSE NO: CM403N, CM503N
5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PDU

STUDENTS LEARN BETTER WITH FLIPPED LESSONS NEW

Think of a lesson that you currently teach: fractions, structuring complex sentences, Spanish, healthy eating, anything. Now imagine that your students learned the basics of the lesson at home with video or animation they can re-watch until they grasp the concepts. Now classroom time can be spent expanding the lesson, digging deeper, or helping students who need it. This is how flipping works, it's taking the K-12 world by storm. Text is about \$8 on Amazon.

INSTRUCTOR: Suzanne Warner, M.S.
COURSE NO: ED471B, ED571B
6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

VIRTUAL, PHYSICAL & HYBRID CLASSROOM NEW

Teaching in a virtual, physical, or hybrid environment demands an additional set of skills and strategies for teachers. In this course you will develop the skills needed to build a virtual classroom rich with interactive content while focusing on a positive class culture and mutually supportive student community. This course is appropriate for teachers of grades K-12. No additional fees.

INSTRUCTOR: Michael Boll, M.A.
COURSE NO: CM403M, CM503M
5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PD

Social Justice

ADVOCACY & EQUITY FOR ELL STUDENTS

Educators of English language learners (ELLs) are important advocates for their students. Whether you are a regular K-12 classroom teacher with ELL students or an ELL specialist, you understand the needs of second language learners and can help create a school environment that supports their academic and social success. This course offers concise strategies for becoming an ELL advocate. For para-educators, counselors, and others. Text \$29 on Amazon.

INSTRUCTOR: Stacey Shaw, M.Ed.

COURSE NO: ED459G, ED559G
3 Quarter Cr (2 Semester Cr)

TUITION: \$195 Credit 400 & 500 level
\$195 CEU/Clock/PDU

DIVIDED AMERICA

If we are faithful to the Declaration of Independence and the preamble to the Constitution, we must recognize the growing inequalities in America are not justified. Our current geopolitical and social climate reveals significant factors that divide American society. This course will examine some of those issues, which are critical conversations to have with our grade 9-12 students, and can be modified for middle school. No additional fees.

INSTRUCTOR: Wendi Fein, M.A.

COURSE NO: SS419A, SS519A
5 Quarter Cr (3.3 Semester Cr)

TUITION: \$315 Credit 400 & 500 level
\$315 CEU/Clock/PDU

GUNS, GERMS & STEEL

How did the world become so unequal with some societies developing more quickly? Help your K-12 students gain an understanding of these big questions. Learn how geography and natural resources enabled some countries to advance technologically. Using the PBS documentary film and website history, geography and world studies teachers will understand. Access to the film is required. Text \$10 on Amazon.

INSTRUCTOR: Wendi Fein, M.A.

COURSE NO: HI406X, HI506X
3 Quarter Cr (2 Semester Cr)

TUITION: \$195 Credit 400 & 500 level
\$195 CEU/Clock/PDU

RACIAL JUSTICE IN EDUCATION

Systemic racism and racial bias negatively impact our social systems and our schools. The effects are both immediate and long lasting. Gain awareness, knowledge, and understanding of privilege within systemic inequity with appreciation of your racial and cultural identity. We will confront stereotypical thinking and misconceptions that disproportionately affect people of color, while working to the advantage of white people. Text \$10 at Amazon.

INSTRUCTOR: Stacey Shaw, M.Ed.

COURSE NO: ED472B, ED572B
6 Quarter Cr (4 Semester Cr)

TUITION: \$380 Credit 400 & 500 level
\$380 CEU/Clock/PDU

THE WORLD WE WANT: Self Design Courses

Passionate about serving the human and Earth community? Want to make a difference? You can earn hours or continuing education quarter credit doing what you care about. This simple, flexible online program supports K-12 teacher involvement in activities ranging from cultural exchange, eco-literacy, climate change, sense of place, community service, social justice, school gardens, yoga, and more. Earn hours or Antioch Continuing Education quarter credits.

The Arts

ARTS WITH THE BRAIN IN MIND

Follow Eric Jensen's guidebook *Arts With the Brain in Mind* to enhance students' creative, expressive and reflective abilities. The arts are a wonderfully humanistic way to teach all subjects better, for arts educators and other teachers alike, and Jensen has proven to be one of the most readable and enthusiastic authors for educators. Text is about \$16 from Amazon.

INSTRUCTOR: Mary Ann Johnson, M.Ed.

COURSE NO: ED433C, ED533C

2 Quarter Cr (1.33 Semester Cr)

TUITION: \$185 Credit 400 & 500 level

\$140 CEU/Clock/PDU

BASIC ELEMENTS OF ART

Bridge the achievement gap in your K-12 classroom by integrating art activities into any subject. Course readings and activities include art materials, and concepts like: patterns, rhythm, primary colors, color blending, hot and cold color, shapes, line, texture, positive and negative space. In addition, you will learn to implement art vocabulary, and Internet references. Aligned with National and State Art Standards while fun and easy. Texts about \$20 on Amazon.

INSTRUCTOR: Debora Supplitt, M.Ed.

COURSE NO: ED444S, ED544S

6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level

\$380 CEU/Clock/PDU

CREATIVE RIGHT BRAIN DRAWING

Bring these guided right-brain drawing skills into any classroom to boost your students' thinking. Critical-thinking, and general problem-solving skills will develop and increase. PreK-12 students will experience the delight of right-brain drawing. You will explore short video tutorials, guided workbook lessons, and basic principles of right-brain drawing. Download the recommended supply list, use your own supplies. Books and video will cost about \$70.

INSTRUCTOR: Debora Supplitt, M.Ed.

COURSE NO: ED470X, ED570X

6 Quarter (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level

\$380 CEU/Clock/PDU

Heritage Instructors

Mary Ann Johnson, M.Ed. Adm. , has worked with students at all levels, from alternative high school to gifted classes. She was also a junior high school vice principal. Teaching with The Heritage Institute since 1994 she is a teacher emeritus who has led seminars for educators focusing on developing a quality learner environment for students and for teachers. Her continuing education distance courses for K-12 teachers are research-based and resonate with educators because of their user-friendly and energizing content.

“I was looking for a way to move across my district pay scale when I found The Heritage Institute. I’ve been pleasantly surprised how influential the four courses I’ve taken have been on my teaching.”

Kate Carbaugh
10-12th grade English
Central Fulton, PA

DRAMA GAMES

Learn how to use drama techniques to make everyday classroom lessons come to life. Drama Games give K-12 teachers a new educational tool for any subject by using improvisational theatre concepts as an active form of learning. Improvisational theatre gives students a fun and interactive way to learn English, reading, literature, history, communications, speech and more. These activities can be used with all ages in any classroom. Text \$11 on Amazon.

INSTRUCTOR: Doug Larson, M.S.

COURSE NO: ED450J, ED550J
5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PD

Challenging Students

CLASSROOM MANAGEMENT THAT WORKS

Whether you are a new teacher or an old pro, you will learn researched, best practices in classroom management. Gain new insights and finesse from authoritative and reality-based sources that will reduce your stress and increase your effectiveness in developing a classroom ready to learn. Based on *Classroom Management That Works* by Robert & Debra Marzano and Debra Pickering. Text is \$21 at ASCD and Amazon.

INSTRUCTOR: Mary Ann Johnson, M.Ed.

COURSE NO: ED430C, ED530C
2 Quarter Cr 1.3 Semester Cr)

TUITION: \$185 Credit 400 & 500 level
\$140 CEU/Clock/PDU

Doug Larson, M.S., taught third grade and middle school in Dubois, Idaho and drama at New Mexico State University. He created original productions for elementary and high school. Doug is an award-winning playwright, drama coach and teacher. To learn more about Doug visit his website (www.freedrama.net) which provides free plays to schools and community groups around the world, or look him up on YouTube. In 2008 Doug launched his first Emmy Award winning film series followed in 2011 by his second, *Paws and Stripes* about veterans with PTSD helped by service dogs.

John Creger, M.A., as an English teacher has been learning from sophomores at American High School in Fremont, CA since 1988. In his publications and presentations since 1998, John communicates what his sophomores' continuing response to his Personal Creed Project teaches him about a deeper kind of literacy. In 2015, John launched *Thriving at the Core* Presentations to share his developing approach with colleagues in their own districts. He earned a B.A. from the University of California at Berkeley, and an M.A. from San Francisco State University, both in English.

COUNSELING SKILLS FOR EDUCATORS

You don't have to be a counselor to apply some basic counseling skills. Techniques in this course are invaluable in working with a wide variety of K-12 student situations. Read and practice interview and listening skills helpful to achieving greater understanding of unmotivated, angry, withdrawn or otherwise hard to reach students. Models for increasing student communication will be explored, including how to conduct a class meeting. Workbook is free from the instructor's website.

INSTRUCTOR:	Michael Sedler, D.Min., M.S.W.	TUITION:	\$415	Credit 400 & 500 level
COURSE NO:	ED409R, ED509R		\$315	CEU/Clock/PDU
	5 Quarter Cr (3.3 Semester Cr)			

ESTABLISHING RULES & BOUNDARIES

Finding a balance between rules, guidelines, boundaries and suggestions can be difficult. This course challenges all educators to evaluate personal guidelines and rules, investigate strategies to teach children how to follow rules, and explore ways to modify your behavioral plans. Upon completion, you will have a clearer understanding of your own value system, how it impacts your students and a defined process of developing rules. Workbook is free from the instructor's website.

INSTRUCTOR:	Michael Sedler, D.Min., M.S.W.	TUITION:	\$495	Credit 400 & 500 level
COURSE NO:	ED445X, ED545X		\$380	CEU/Clock/PDU
	6 Quarter Cr (4 Semester Cr)			

MINDSET: The New Psychology of Success

Change your mind, change your life describes the powerful work of Carol Dweck. Students with a fixed mindset are less likely to flourish in the classroom. Explore the concept of Fixed versus Growth Mindsets and learn how hard work, good strategies, modeling and your own mindset techniques can be developed. Transform your K-12 students by giving them a renewed passion for learning. Text \$10 used on Amazon.

INSTRUCTOR:	Brenda McKinney, M.A.	TUITION:	\$495	Credit 400 & 500 level
COURSE NO:	ED448K, ED548K		\$380	CEU/Clock/PDU
	6 Quarter Cr (4 Semester Cr)			

MINDSETS IN THE CLASSROOM

Why do some children succeed while others fail? Mindsets in the Classroom provides ideas for building a growth mindset culture. Based on how the brain learns, differentiation, and critical thinking, you will learn to challenge students to change their thinking, their potential, and their ability. This course provides step-by-step guidance for K-12 teachers to use the growth mindset culture in their classrooms by communicating to every student that they can succeed. Text \$14 on Amazon.

INSTRUCTOR:	Brenda McKinney, M.A.	TUITION:	\$415	Credit 400 & 500 level
COURSE NO:	ED459Q, ED559Q		\$315	CEU/Clock/PDU
	5 Quarter Cr (3.3 Semester Cr)			

Mike Sedler, D.Min., M.S.W., brings over 30 years of educational experience as an administrator, social worker, behavior specialist and teacher to each of his classes. He provides consultation and offers seminars throughout the United States and Canada. He has a graduate degree in Social Work, a Doctoral degree in Ministry, a Counseling license, as well as his teaching certification. All of Mike's classes are practical and field-tested in schools and classrooms. Educators have found success in implementing Mike's clear and concise approaches.

REASONS STUDENTS DON'T LIKE SCHOOL

It is stressful to deal with students of all ages who hate going to school; however, new research paves the way for all K-12 educators to benefit from understanding the biological and cognitive explanation of why many students don't like school. Surprising findings confirms that all brains are malleable, IQ is not fixed, and you cannot develop thinking skills without facts. You will learn the nine principles for engaging the mind. Used text \$15 on Amazon.

INSTRUCTOR: Brenda McKinney, M.A.
COURSE NO: ED448L, ED548L
6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

SOCIAL SKILLS: A Foundation For Learning

Poor social skills are the leading reason people lose jobs, according to Labor and Industry research. While educators know the importance of social skills, schools do not provide adequate training. Gain valuable strategies for teaching social skills and self-esteem without sacrificing content time, and obtain specific K-12 curriculum. Workbook is free from the instructor's website.

INSTRUCTOR: Michael Sedler, D.Min., M.S.W.
COURSE NO: SS401V, SS501V
3 Quarter Cr (2 Semester Cr)

TUITION: \$280 Credit 400 & 500 level

Suzanne Warner, M.S., has taught mathematics to middle school, high school and currently at the college level. Suzanne is lauded by administrators, colleagues, students and parents regarding her teaching and her classroom management skills. Her students enjoy learning in a respectful, productive environment, where each is in control of her/his own learning and behaviors. She believes that all students want to do well, and creates a teaching environment for them to succeed. Visit her website at <https://www.sites.google.com/site/warnereducation/>.

“This class was just what I needed to prepare for online teaching into the fall. I liked the variety of sessions, from virtual teaching tools to social/emotional learning to trauma-informed teaching. The Zoom sessions were lively, and it was great to take time to discuss further in breakout rooms. Thanks so much, and keep up the good work!”

Joel Turvey
K-8th Reading Specialist
Catapult Learning, OR

BATTLING BOREDOM, Part 2

Take boredom out of your K-12 classroom and engage your students! Learn new strategies and techniques that include novelty and brain-friendly ideas. These processes will get students involved with material you already planned to cover. No special equipment or preparation is usually required. Each section explains why activities are valid and provides step-by-step directions for academic discussion, writing, classroom technology and more. Text \$28 on Amazon.

INSTRUCTOR: Mary Ann Johnson, M.Ed.

COURSE NO: ED466U, ED566U
5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PDU

EXECUTIVE FUNCTIONING & THE TEEN BRAIN

Teenagers are both incredibly delightful and occasionally frustrating. While that is not news, why teenagers behave the way they do is news to many of us. Recent research has created a significant body of literature that explains the developmental phases of teens. Based on teen brain research, this course will help you to navigate the labyrinth of emotions, developmental differences and entertainment we often call the teenage brain. For teachers of grades 7-12. Text \$15 on Amazon.

INSTRUCTOR: Lori Boll, M.A.

COURSE NO: ED465i ED565i
3 Quarter Cr (2 Semester Cr)

TUITION: \$280 Credit 400 & 500 level
\$195 CEU/Clock/PDU

FIRST DAYS OF SCHOOL

With 3.3 million copies sold, our course text is a must have for new teachers and veterans alike. It is the best-selling book ever written on classroom management. Step-by-step proven skills and teacher-tested strategies lead you to success and less stress. Specific strategies to motivate K-12 students mean more time on task, leaving you more time for creatively closing the achievement gap. Used text about \$17 on Amazon.

INSTRUCTOR: Mary Ann Johnson, M.Ed.

COURSE NO: ED447E, ED547E

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PDU

Kelly Lickteig, M.A., received her Master of Arts in Teaching from Willamette University. She has taught students ranging from preschool to eighth grade in both public and private schools. Upon starting a new position in the private sector, she was assigned the task of developing and managing a resource room that assisted both learning disabled and gifted students. Kelly has taught for The Heritage Institute since 2012.

GENERATION Z

Generation Z comprises students born since 1995. Theirs is a digital world made up of the Internet and cell phones. They are enmeshed in social media and criticized for lacking social skills. However, they are the future and we need to teach them in a manner leading to success. To do that, learn how to best meet their unique needs and how to engage them in your K-12 classroom. Learn how they think and how they may change the world. Text \$14 at Amazon.

INSTRUCTOR: Suzanne Warner, M.S,
COURSE NO: ED467G, ED567G
6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

LEADING & MANAGING A DIFFERENTIATED CLASSROOM

Experts in differentiated instruction, Carol Ann Tomlinson and Marcia Imbeau add a fresh dimension to DI making it playful and practical. You will help students be patient with others working at different levels and speeds. The text has suggestions for classroom routines so students at various levels feel good working together, help manage noise, time and the differences between highly capable and struggling students. Text about \$10 on Amazon.

INSTRUCTOR: Mary Ann Johnson, M.Ed.

5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PDU

SCHOOL CULTURE TIPS

NEW

Here's your chance to enjoy celebrity educator Gerry Brooks, an elementary school principal, and intervention specialist, while earning credits. Gerry delivers stories and jokes K-12 school professionals relate to. He confesses that great teachers and distinguished schools do have bad days: the most solid lesson plans fall through, parents complain, kids throw tantrums, and then testing rolls around. Excellent for collaboration. All materials are free online.

INSTRUCTOR: Debora Supplitt, M.Ed.
COURSE NO: ED471H, ED571H
2 Quarter Cr (1.3 Semester Cr)

TUITION: \$185 Credit 400 & 500 level
\$140 CEU/Clock/PDU

Lori Gibson, M.A., received her undergraduate degrees in Psychology and Education at Whitworth University. In 1990, she received her MA in Counseling Psychology from Gonzaga University. She has served as a guidance counselor at North Chicago Community High School in Illinois, as an elementary school counselor for Lake Washington School District in Redmond, WA and is presently a counselor for Spokane Public Schools. Lori has taught for The Heritage Institute since 2002.

TEACH KIDS TO CONTROL THEMSELVES

NEW

Encourage students to control themselves and you will increase their learning. Their feelings, behaviors, and their thoughts about what they are studying matter. Self-regulated learners use strategies and skills to engage in their learning and they learn how to learn. K-12 teachers and school professionals, who create a culture of student self-regulation will motivate and encourage implementation of self-regulation strategies in your classroom. Text is about \$33 on Amazon.

INSTRUCTOR: Jennifer Anders, M.Ed.
COURSE NO: ED471F, ED571F
5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PDU

Counseling & Special Ed

AUTISM: Questions & Answers

PreK-12 educators will learn about Autism along with proven interventions. You will also gain a greater medical understanding of the characteristics of Autism and other special needs qualities and the causes. In addition, you will focus on learning models to assist these students. Whether you are an educator, or simply wanting more understanding about this complex and confusing disorder, this course offers a solid foundational approach. Workbook is free.

INSTRUCTOR: Michael Sedler, D.Min., M.S.W.
COURSE NO: ED445Y, ED545Y
6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

AUTISM PUZZLE

If you have K-12 students with one of the Autism Spectrum Disorders (ASD), and you do not know what they are thinking or feeling, your days will be difficult and theirs will be too. This course is an essential introduction to this puzzling disorder and covers potential causes, diagnosis, types of ASD, explanation of behavior patterns, strategies and resources for educators. Text is about \$15 on Amazon.

INSTRUCTOR: Lori Gibson, M.A.
COURSE NO: ED436U, ED536U
3 Quarter Cr (2 Semester Cr)

TUITION: \$280 Credit 400 & 500 level
\$195 CEU/Clock/PDU

Jacquie Bernbaum, M.A., has worked as a school counselor in Spokane, WA since the early nineties. Her BA is from the University of Texas at Austin and her graduate degree is from Gonzaga University. She served on Eastern Washington University's PEAB board for six years, Critical Incident Team for 10 years, as well as on the Child Protective Team for 10 years, making long term decisions about the wellbeing of children in the Spokane community. Jacquie has been teaching workshops and distance courses through The Heritage Institute since 2002.

Jennifer Anders, M.Ed., earned her M. Ed. in Early Childhood Special Education at the University of Washington, Seattle, with a focus on young children with ASD. In 2004, Jennifer traveled with Dr. Schwartz and a team of educators to China, collaborating with Chinese educators on Best Practices for children with Autism. She received her B.A. at the University of Washington in English and Creative Writing. Prior to moving overseas, Jennifer worked as a Developmental Preschool Teacher in WA State Public Schools and Birth to Three Developmental Center as the Education Coordinator.

BOYS IN TROUBLE

Our boys are struggling. They are academically disengaged and facing social challenges alone. We will look at the troubling symptoms K-12 boys are presenting, and then pull back the curtain on their inner lives. We will also look at the cultural expectations they are under, cultivate a new understanding of “boy world” and explore what educators can do to turn the tide. The text, *Masterminds and Wingman*, is \$15 at Amazon.

INSTRUCTOR: Lori Gibson, M.A.

COURSE NO: ED452Y, ED552Y
3 Quarter Cr (2 Semester Cr)

TUITION: \$280 Credit 400 & 500 level
\$195 CEU/Clock/PDU

BULLYING BEHAVIORS

Develop proactive strategies to minimize and prevent K-12 students’ bullying and teasing behaviors. We will discuss victims, rescuers, bystanders, and bullies and how they are intertwined in life. Empowering of victims, strategies for bystanders, alternative approaches for rescuers, and redirection in behaviors for bullies will be shared with all participants. Workbook is free from the instructor’s website.

INSTRUCTOR: Michael Sedler, D.Min., M.S.W.

Brenda McKinney, M.A., is CEO of Vancouver, WA based Brain Volu-
tion. She is the developer and dynamic facilitator of workshops that teach practical think-
ing and learning tools for raising student achievement with the brain in mind. She has
trained educators throughout the Pacific Northwest and is a popular presenter because of
her ability to motivate, make things fun, and teach practical techniques for the classroom
that can be used immediately. She is a popular speaker at the state, regional and national
level.

TRAUMA-INFORMED TEACHING

NEW

Research shows that by 4 years of age nearly 25% of students have experienced or witnessed a major traumatic event. Knowing that, how do we reach and support all of our K-12 students? This course will help. You will develop a trauma-informed lens focused on seeing the whole child. You will explore how trauma impacts the brain, its impact on learning and social-emotional well-being, plus strategies and tools for teacher self-care. Text \$15 on Amazon.

Corey Davis, M.A.T., received his B.A. from Wright State University, and his M.A.T. from Concordia University. Corey has experience teaching Social Studies, specifically U.S. History and AP Human Geography at the high school level. He has served as an assistant baseball coach at his high school for the past 5 years, served on the AVID site team, and Equal Opportunity Schools site team as well. He has taken many of his continuing education courses through the Heritage Institute and is eager to help pay it forward.

Julie Bora, M.S.T., has been active in educational renewal since her youth. She continues to be a moderate and patient voice for trying on simple changes in the art of educating and learning. With instructional experience in both science and the arts, teachers have found her sincere support and friendly understanding to be a welcome nudge toward updating and improving the techniques, protocols and strategies in their own professional development.

“I have taken several classes through Heritage Institute and have always had a great experience. Everyone is always courteous and accommodating. I will continue to take classes through Heritage as well as recommend it to my colleagues.”

Margo Kondela

9-12th grade

Youngstown Rayen Early College, OH

FOSTERING GRIT IN THE CLASSROOM

The key to student success is not how well they perform on standardized tests or their ranking in school, but their ability to work hard, struggle, and then persevere until they accomplish a task. Learn how to instill grit in your K-12 students through relationship building, challenging tasks and active reflection. Students will perceive mistakes as opportunities. When grit is taught in the classroom, it leads to long term success and happiness. Text \$13 on Amazon.

MENTAL HEALTH ISSUES & STUDENTS

Understand and deal more effectively with a range of K-12 student disorders, such as Oppositional Defiant Disorder, Conduct Disorder, Anxiety Disorder, AD/HD, Obsessive Compulsive Disorder, Attachment Disorders, and Self Injurious Behaviors. You will learn signs and recognition aspects with effective strategies for helping children be successful at school. For educators, and school personnel. Workbook is free from the instructor's website.

INSTRUCTOR: Michael Sedler, D.Min., M.S.W.
COURSE NO: HE402N, HE502N
5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PDU

SPORTS CLINICS 2021

This course is open to coaches Nation Wide attending ANY Sports Clinic. Sports Clinics are available that focus on a variety of aspects related to your particular sport and athlete program. Often times these Sports Clinics have Professional and/or College coaches lecturing. You can attend and earn 3 continuing education quarter credits or 30 clock hours, PDUs or CEUs. Attending more than one clinic during the year? Contact the instructor directly.

INSTRUCTOR: Eric Low, M.A.
COURSE NO: PE404W, PE504W
3 Quarter Cr (2 Semester Cr)

TUITION: \$210 Credit 400 & 500 level
\$120 CEU/Clock/PDU

Nancy Schultz, M.Ed. , lives in Bozeman, Montana in a solar powered house. For 30 years, she was an elementary school teacher and reading specialist and she also worked as a ranger in Mt Rainier National Park. She is an outdoor enthusiast who is involved in preserving our public lands heritage, and is deeply involved in advocacy for the wildlife and ecosystems of the Northern Rocky Mountains.

STRESS REDUCTION IN STAFF & STUDENTS

This course addresses the vital topic today of childhood and adult stress. You will learn strategies to help K-12 students appropriately direct their stress, through coping skills, into positive avenues. Peer relations, chaotic family structures, generalized feelings of anxiety, failure and negative thought processes, as well as many other topics will be covered. Course workbook is free and downloadable from the instructor's website after registration.

INSTRUCTOR: Michael Sedler, D.Min., M.S.W.

COURSE NO: HE401M, HE501M
5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PD

History & Social Studies

BEYOND DIVISIVENESS

In an era of social polarization and political gridlock grade 6-12 students need skills to respectfully tackle critical, contemporary issues. Finding common ground forms the foundation of citizenship. Educators taking this course may engage their students on a multitude of issues by examining it from varying views. The text grapples with views of unresolved social issues: gun control, marriage equality, Black Lives Matter, and immigration. Text \$26 at Amazon.

INSTRUCTOR: Stacey Shaw, M.Ed.

COURSE NO: ED464E, ED564E
6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

EXPLORING CENTRAL OREGON

NEW

Come explore Central Oregon in this diversified driving tour. Choose 18 of the cultural, historical, and natural sites suggested and uncover the geographic and human origins of this area. The regions past, its present, and future potential will speak through the fauna and flora of the regions forested trails, volcanic areas, and alpine regions. Along the way, you will develop ideas for your K-12 classroom. Additional fee varies with your text selection.

INSTRUCTORS: Peter Chausse, B.S.

Christopher Naze, M.Ed.

COURSE NO: SS419B, SS519B
3 Quarter Cr (2 Semester Cr)

TUITION: \$280 Credit 400 & 500 level
\$195 CEU/Clock/PDU

Patricia Dickenson Ph.D., Is an Associate Professor of Teacher Education and the Program Lead for the Bachelors of Arts In Interdisciplinary Studies with the Preliminary Multiple and Single Subject Credential at National University. Her research area focuses on mathematics professional development and technology. She has worked as a mathematics coach and elementary school teacher for the Los Angeles Unified school district for over 10 years. Dr. Dickenson has published two books, several chapters and articles.

FINDING TRUTH: Beyond Fake News & Media Bias

It is harder than ever to know where the truth can be found. The 2016 presidential election was an American game changer in both political and social polarization. While this reflects historic ideational differences, the widening gulf, aggravated by fake news, is a major contributor to the breakdown. Can we achieve common ground and find bipartisanship? In this course for grades 9-12 we will explore fake news, bias and its effects. Text is \$24 on Amazon.

INSTRUCTOR: Corey Davis, M.A.

COURSE NO: SS419E, SS519E
5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PDU

FROM LOCAL TO GLOBAL: Human Rights For All

Develop valuable lessons for your K-12 students around human rights issues. Using a framework of equity, social justice and the human rights of children you can meet standards while engaging students in critical inquiry relevant to their lives. A review of related literature, websites and videos will help engage many thoughtful inquiries regarding lessons and activities. A service learning project will culminate the course. Free downloads. Text about \$8 at Amazon.

INSTRUCTOR: Wendi Fein, M.A.

COURSE NO: ED459A, ED559A
6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

GOOGLE EARTH BASICS

Expand K-12 students' global awareness with Google Earth! The free program features astonishing satellite imagery of the entire Earth. Explore major river deltas; research climate change, endangered species and land use patterns; study Mars, the Moon, ocean floors, and galaxies! You will learn navigational basics and how to customize Google Earth for lessons across most K-12 subjects. No additional fee.

INSTRUCTORS: Glenn Monahan, B.S.

Nancy Schultz, M.Ed.

COURSE NO: SC415E, SC515E
2 Quarter Cr (1.33 Semester Cr)

TUITION: \$185 Credit 400 & 500 level
\$140 CEU/Clock/PDU

WORLD WAR II in FILM & LITERATURE

Make your Language Arts and Social Studies units on 20th century history and WW II come alive. How? By integrating some of the films and period literature of this epic period in American and world history. Short readings and films will be of your own choosing. Appropriate for grades K-12. Fees for video rental depend on source.

INSTRUCTOR: Eric Low, M.A.

COURSE NO: HI407C, HI507C
3 Quarter Cr (2 Semester Cr)

TUITION: \$280 Credit 400 & 500 level
\$195 CEU/Clock/PDU

Deb Lund, M.A. , Deb Lund is passionate about supporting literacy and those who help kids learn to read and write. She is an author, a creativity coach, and a teacher with a master's project on teaching writing. Be warned: Deb is a zealot about teachers needing to write, to model their writing and thinking, and to give students their choice of writing topics and reading materials. You will find more ways for Deb to support you at www.deblund.com.

Language Arts

READ FOR PLEASURE & INSPIRATION

How often do we get to simply read for pleasure and inspiration in ways that enrich our lives and our work? In this course, you will choose from a wide range of reading that suit your personal and professional needs. You will also reflect on the importance of engaging your students in productive reading. Appropriate for teachers K-12. Text(s) cost depends on choice of book(s).

INSTRUCTOR: Suzanne Warner, M.S.

COURSE NO: ED463S, ED563S
6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

TEACH YOUR STUDENTS TO FIND THEMSELVES

NEW

The pandemic and social protests of 2020 provide amazing opportunities for grade 6-12 educators. A new kind of learning is called for. Young people need to understand that their behavior affects pandemic viruses, climate change, and the lives of others. They need to know what they stand for and be ready to act for a greater good. These challenges begin with understanding themselves more fully using the Personal Creed Project. Text \$20 at Amazon.

INSTRUCTOR: John Creger, M.A.

COURSE NO: ED471W, ED571W
5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PDU

WRITING & READING WORKSHOP

Using Nancie Atwell's *In the Middle* (with 80% new material), we will explore ways to organize, launch, and maintain successful writing and reading workshops. With hundreds of mini-lessons, mentor texts, and techniques for teaching and conferring with students, writing and reading workshops are the logical way to teach English 4-12. The instructor is your guide and partner in this writing intensive, transformational course. Text \$40 from Amazon.

INSTRUCTOR: Deb Lund, M.A.

COURSE NO: ED461X, ED561X
6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

WRITING WITH KIDS

Inspire great writing from your students with writing workshop tools and techniques that provide structure, content, and increased confidence in your own writing and teaching. Your instructor, author Deb Lund, who has taught teachers for decades about writing with kids will be your mentor. She will model the writing process as you explore K-12 fiction, personal narrative, essay, and poetry writing. Text about \$5 at Amazon.

INSTRUCTOR: Deb Lund, M.A.

COURSE NO: ED450K, ED550K
5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PDU

Eva Varga, M.A., has extensive experience in both formal and informal education settings. In 2001, she was awarded National Board Certification: Middle Childhood Generalist and during her years in the classroom received more than \$20K in grants and awards. She presently develops online science courses for homeschool students, writes a middle level secular science curriculum called Science Logic and blogs for Better Chinese. Visit her website [www.evavarga.net] to explore the many resources and educational materials she has created.

***“Thank you for providing courses that can help us
be better people so we can be better teachers!”***

Odyssey Elementary, WA

Math & Science

MATHEMATICAL MINDSETS

Create a mathematics classroom where students no longer fear math or believe they are not good at math. The text, by Jo Boaler, a Stanford University professor with research-based and field-tested strategies, will help you create a K-12 math classroom where your students experience mathematics through a positive growth mindset method. You will create tasks, assessments, and feedback that encourage mastery. Text is about \$14 from Amazon.

INSTRUCTOR:	Suzanne Warner, M.S.	TUITION:	\$415	Credit 400 & 500 level
COURSE NO:	MA400o, MA500o		\$315	CEU/Clock/PDU
	5 Quarter Cr (3.3 Semester Cr)			

NATURE JOURNALING IN THE CLASSROOM

Nature journaling incorporates observation, writing, drawing and documentation. Using photographs or audio recordings you will learn about and appreciate more deeply the natural world around us. Elementary teachers, secondary science and art teachers can use this wonderful tool to engage authentic student learning as you integrate nature journaling and the texts, which you will be happy to own. Used texts \$12 on Amazon.

INSTRUCTOR:	Eva Varga, M.A.	TUITION:	\$280	Credit 400 & 500 level
COURSE NO:	ED447N, ED547N		\$195	CEU/Clock/PDU
	3 Quarter Cr (2 Semester Cr)			

TREES: Inside & Out

Trees provide an avenue to scientific methods of observation, classification, notation and drawing. Tree study can also be integrated with K-12 writing, math, art and social studies activities. Learn to identify local trees and discover intriguing and meaningful lessons for inside and outside the classroom. Field trip opportunities, guest speakers and community involvement projects will also be discussed. \$35 due to instructor after registration.

INSTRUCTORS:	Peter Chausse, B.S. Christopher Naze, M.Ed.	TUITION:	\$280	Credit 400 & 500 level
COURSE NO:	SC406Z, SC506Z		\$195	CEU/Clock/PDU
	3 Quarter Cr (2 Semester Cr)			

Lawrence Rzeznik, M.S., received his M.S. and B.S. in Biology/Education respectively from S.U.N.Y. Geneseo. He has taught high school science since the nineties plus adjunct biology and chemistry instructor for nursing colleges. He has created curriculum for animal behavior, environmental biology, general biology, and forensics science courses. He has developed and implemented a science program specifically geared towards those with severe learning disabilities. Since 2008 Larry has taught professional development courses for educators with THI.

STEM

BUILD YOUR WEBSITE NOW

Ready to create your own website? Thanks to the popular WordPress platform, now you can. WordPress opens the door of K-12 teaching by sharing experiences including digital portfolios, podcasting, communicating with parents, and resources. A scaffolded step-by-step approach ensures every course participant walks away with a finished product ready to share from day one. For more information see: <http://smarturl.it/buildwebsite-now>. Text is free online.

INSTRUCTOR: Michael Boll, M.A.

6 Quarter Cr (4 Semester Cr)

TUITION \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

CLIMATE CHANGE FOR TEACHERS & KIDS

Climate change is a global threat. Yet our schools lag far behind international schools in educating for this change. This course uses platforms developed by NASA and the EPA to instruct about the science of climate change in a student-friendly interdisciplinary way. Engage your K-12 students with graphics, games, and activities. You will review lesson samples that integrate science, social studies, language arts, and math. Readings are free online.

INSTRUCTOR: Charity Staudenraus, M.A.T.

COURSE NO: ED456K, ED556K

6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

DIGITAL PORTFOLIOS

Our students come to school every day ready to work on the outcomes, goals and assignments provided by their fantastic teachers. Today, thanks to new digital portfolio systems, we can easily capture that learning and ask students to reflect in a way that is easily shared. Digital portfolios provide unique and compelling opportunities for students to document and share their learning with teachers and students. Appropriate for K-12 teachers. See more here: SmartUrl.it/digitalportfolios.

INSTRUCTOR: Michael Boll, M.A.

EMPOWERING SCIENCE TEACHING & LEARNING

Explore how you can use the Next Generation Science Standards (NGSS) to engage your students and expand learning across the curriculum. NGSS is a new way of looking at science instruction. With the Disciplinary Core Ideas, Science Practices, and Cross Cutting Concepts, focus is no longer on rote memorization, but on helping K-12 students understand the phenomena at the core of science teaching and learning. Course materials are free on-line.

INSTRUCTOR: Charity Staudenraus, M.A.T.

COURSE NO: ED463D, ED563D

5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PDU

Michael Boll, M.A., is an Apple Distinguished Educator, Google Certified Educator, Entrepreneur, Podcaster and Technology Coach at International School, Bangkok. Michael has a teenage son with profound autism and is keenly in the special needs community and its population of diverse learners. This interest led Michael and his wife, Lori Boll, to open an innovative school in Shanghai, Shine Academy, for their son. For more information about Michael, check out his personal website: www.michaelboll.me

MAGNETS & MORE: Early Childhood Science

NEW

Promote the joy of learning by using play-based STEM activities. Magnets, gears, whiffle balls, a tin can band, simple machines, plants, animals, funnels, sensory tubs, paint, and more will teach your preschool and early childhood students inquiry-based science concepts. All while meeting state standards and propelling their learning. You will practice all eight components of scientific inquiry and create an inquiry-based classroom. Text is \$20 - \$40 on Amazon.

INSTRUCTOR: Kelly Lickteig, M.A.

COURSE NO: ED471X, ED571X
5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PDU

MATH IN OUR LIVES

When mathematics is taught with real-world problem-based lessons, students develop long-term conceptual understanding. You will create tasks that focus on key concepts using three pedagogical practices: Problem-based learning, Project-based learning and Inquiry. You will learn how to harness students' knowledge to make connections that lead to mastery. Research suggests student understanding and achievement in math are significantly improved when math is highly contextualized and problem-based. \$5 material fee due to instructor after registration. Text about \$18 on Amazon.

Teacher Wellness

BEING HAPPY: Teaching Happiness

Brain research reveals how Happiness Skills positively affect our state of mind. A conscious choice of attitudes, beliefs, intentions, personal philosophy, precepts and daily practices are under your control and teachable. All the learning in the world is worthless without happiness. For K-12 youth to be successful and motivated they need to create happy lives. Learn how to shift perspective about difficult situations, and more. Text about \$15 on Amazon.

INSTRUCTOR: Charity Staudenraus, M.A.T.

COURSE NO: ED466G, ED566G
6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

Chris Hill, M.E.T., received his Master of Educational Technology from Boise State University and currently teaches Marketing, Leadership, and Digital Media at Lake Oswego High School. His diverse teaching experience includes teaching at The International School in Tegucigalpa, Honduras. He is one of fifty educators from across the country who was chosen to participate in the 2011 STEM Institute in Washington D.C. He is a member of the Northwest Council for Computer Education and the International Society for Technology in Education. He has served as the Technology Coordinator, Math Department Head, and Activities Director at various schools.

EXERCISE & THE BRAIN FOR PEAK PERFORMANCE

Did you know you can lift your mood, fight aging, increase your memory, sharpen your cognitive abilities, beat stress, and function better by exercising? The evidence is incontrovertible: Aerobic exercise can physically remodel your brain. Our text, SPARK, presents startling research proving that exercise truly defends against ADD, depression, and aggression. This course is appropriate for teachers K-12. Text \$13 on Amazon.

INSTRUCTOR: Brenda McKinney, M.A.

6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

HARDWIRING HAPPINESS

Humans have an incredible capacity for happiness, but negative thinking limits it. Neuroscience shows our ability to concentrate on happy thoughts depends upon our brain's amygdala section. The goal of this course for K-12 educators is to teach you how to train your mind to cultivate happiness, and to recognize when your amygdala is lying to you. Using a powerful four-step process, you can create new neural structures and habits. Text \$16 on Amazon.

INSTRUCTOR: Brenda McKinney, M.A.

COURSE NO: ED470o, ED570o
5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PDU

MINDFULNESS

Our brains love repetition, whether it is negative or positive. This course is a chance to create new neural pathways while letting go of distractions. Interest in mindfulness has been growing steadily. This course provides an opportunity to learn and practice mindfulness while strengthening skills to be with whatever arises. Remember, every moment counts. This is a perfect opportunity to influence your brain, your health, and longevity. Text is \$14 on Amazon.

INSTRUCTOR: Brenda McKinney, M.A.

COURSE NO: ED471E, ED571E
5 Quarter Cr (3.3 Semester Cr)

TUITION: \$415 Credit 400 & 500 level
\$315 CEU/Clock/PDU

Debora Supplitt M. Ed. , has worked with students of all levels and professional educators since 1980. She is certified in Washington, Oregon and California in Pre/K-12 Special and Elementary, and Middle School Education. She is highly qualified in the core areas of Art, Music, Reading, and Special Education as well as being a Washington State Intervention Specialist. She knows the importance of providing a creative environment where all learners can thrive.

ORGANIZING FROM THE INSIDE OUT

Learn about your personal organizational style and how to reach your goals. Three effective strategies help you organize your desk, your classroom, your filing cabinet and even your workspaces at home. You will use online resources so you can work smarter, not harder. You will also learn how to help disorganized K-12 students and families. Text is *Organization from the Inside Out*, available at Amazon for about \$11 new and \$3 used.

INSTRUCTOR: Mary Ann Johnson, M.Ed.

COURSE NO: ED446H, ED546H
3 Quarter Cr (2 Semester Cr)

TUITION: \$280 Credit 400 & 500 level
\$195 CEU/Clock/PDU

OVERCOMING ADVERSITY

The great wisdom traditions and our own life stories point to the virtue of adversity. The obstacles and difficulties in our lives test us and can bring forth our greatest potential, leading to self-knowledge, character, courage and great achievement. The course material reflects on the trials and successes of each life, and explores K-12 application of these themes. You will view movies, TED Talks, read books, and more. Text costs will vary with your selection.

INSTRUCTOR: Brenda McKinney, M.A.

COURSE NO: ED465B, ED565B
6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

THE POWER IN YOU

Students see right through us when we are not being ourselves. Standing in our authentic self is the personal foundation of good K-12 teaching, no matter what grade level, subject or personality type. In this course, you will draw upon the work of noted educator and writer, Parker Palmer, and researcher-author, Brene Brown, to help explore what may be getting in the way of being fully yourself. You will learn the steps you can take to reclaim your personal power. Text about \$15 on Amazon.

INSTRUCTOR: Brenda McKinney, M.A.

COURSE NO: ED467D, ED567D
6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

Technology

FREEDING DIGITAL PRISONERS

NEW

"If we have lost control over our relationship with smartphones, it is by design. Add it all up, and North American users spend somewhere between three and five hours a day looking at their smartphones," wrote Eric Andrew-Gee. We love technology, but it is essential that we find balance. Achieve that balance for yourself and access resources to share that balance with your PreK-12 students. Text is \$10 at Amazon. Additional materials are free online.

INSTRUCTOR: Charity Staudenraus, M.A.T.

COURSE NO: SC418Z, SC518Z
6 Quarter Cr (4 Semester Cr)

TUITION: \$495 Credit 400 & 500 level
\$380 CEU/Clock/PDU

Isis Tabares, M.A., is a native Spanish-speaker who was born in Colombia, South America. She earned a Bachelor's degree at Pacific Lutheran University, majoring in Spanish, Education, and Latin American Studies. She earned a Masters Degree at the University of Salamanca, Spain and is a National Board-Certified Teacher. Isis contributes greatly to her community's language and cultural needs while supporting their desire to learn Spanish.

***“Thanks for offering these opportunities to educators.
I thoroughly enjoyed my course.”***

\$195 CEU/Clock/PDU

Deborah Richter, B.A., is an accomplished Spanish instructor who has been teaching for more than 25 years. She founded La Única Spanish Instruction center, which offers a variety of workshops and classes for teachers that emphasize strengthening communication and bridging language gaps. Additionally, she arranges and leads adult groups in cultural trips to various Spanish-speaking countries. Deborah holds degrees in K-12 Education and Physical Education from Whitman College.

The Heritage Institute

INFORMATION and POLICIES

REGISTRATION • You may register online at any time: www.hol.edu or by phone 800.445.1305. Or mail a registration form to The Heritage Institute, PO Box 1273, Freeland, WA 98249, or fax 360.341.3070. Registration forms are located on our website at www.hol.edu. Courses, Mail in Registration Form.

CUSTOMER SERVICE HOURS • The Heritage Institute customer service hours are 9am-5pm PT, Mon-Thu. Call 360.341.3020

CREDIT • The Heritage Institute (THI) courses are based on Continuing Education quarter-system credits. Three (3) quarter-system credits are equal to two (2) semester-system credits. For full quarter vs. semester conversion see the equivalency table on the inside front cover page. THI Continuing Education quarter-system credits are offered at the 400 level and 500 level through Antioch University Seattle.

Antioch University Seattle's Continuing Education Quarter Credits are acceptable in most states for teaching certificate renewal and salary advancement. Prior to registering for a course, we recommend you seek approval from your state office of education or school district Human Resources department as many state and district requirements are unique.

GROUP COLLABORATION • You may register for distance courses as a group. Groups are limited to four(4) participants. Please visit our website at www.hol.edu. Courses, Group Collaboration for more information and guidelines.

CREDIT LIMIT • There is a limit of 9 Quarter Credits each in the Fall, Winter, and Spring Quarters (equivalent to 6-semester credits). The limit is 15 Quarter Credits during the Summer Quarter. However, there is an annual limit of 25 Quarter Credits that may be taken during any one-year period.

GRADES • Antioch University Seattle Continuing Education quarter-system credit is offered on a credit/no credit basis; letter grades are not issued. At the 400 level, credit is only awarded for work of 'C' or better quality. For 500 level, credit is only awarded for work of 'B' or better quality.

CERTIFICATE OF COURSE COMPLETIONS • Download a Certificate of Course Completions at report.hol.edu, enter your email address and password. For further assistance, contact THI Customer Service: customerservice@hol.edu.

CEUs – CONTINUING EDUCATION UNITS (HOURS) • The Heritage Institute offers Continuing Education Units. One CEU equals ten hours of completed course work. Completed CEUs appear on Certificates of Course Completion.

THI CEUs, WA CLOCK HOURS & OREGON PDU HOURS • THI CEUs, Washington Clock Hours, and Oregon PDU Hours do not appear on an Antioch transcript. If you take a course for hours, your completion certificate will be emailed to you. Keep a copy for your records. THI is an approved provider of Washington State Clock Hours and Oregon PDUs. We are on the Washington OSPI website listed under the name Educating for Humanity Institute.

CEU LIMIT • There is a limit of 9 CEUs (90 Hours) in the Fall, Winter, and Spring Quarters. During the Summer Quarter there is a limit of 15 CEUs (150 Hours). However, there is an annual limit of 25 CEUs (250 hours) that may be taken by an individual during any one-year period.

HOURLY LIMIT • There is a limit of 90 Washington State Clock Hours or Oregon PDU Hours in the Fall, Winter, and Spring Quarters. During the Summer Quarter there is a limit of 150 clock hours or PDU hours. However, there is an annual limit of 250 Washington Clock Hours or Oregon PDU Hours that may be taken by an individual during any one-year period.

CREDIT & HOUR LIMIT WAIVER • To exceed the limit

of Quarter or Annual Credits, THI CEU (Hours), Washington Clock Hours or Oregon PDU Hours, send a request to THI Registrar, registrar@hol.edu, listing the courses you want to take, their credit or hour value, and rationale for the limit waiver.

COMPLETION • Completion time for all Online, Distance, and Customized Independent Study courses is within six months from the date of registration.

EXTENSIONS • There is a \$20 administrative fee for each course extended. Requests need to be received at THI at least one week prior to your required completion date. A one-time extension of six months may be obtained for all Online, Distance, and Customized Independent Study courses.

COURSE LEVEL CHANGES • Course level changes may be done via phone or email to THI. Please also notify your instructor of this change. For course level changes made within 30-days of registering, refunds or additional charges will apply. More than 30-days after registering, no refunds will be issued, but additional tuition must be paid, if applicable.

CANCELLATIONS & REFUNDS • Cancellation requests must be received by THI within 30-days of registration to qualify for a tuition refund (minus a \$20 administrative fee for each course canceled). Beyond thirty-days after registration, full tuition is forfeited. Contact THI by phone 360.341.3020, fax 360.341.3070 or email, registrar@hol.edu. Transcripts will be held until all fees are paid. For Workshops' policies, please contact your instructor directly.

SYLLABI SUMMARY • Course syllabi are available for viewing before registration on the website course description page at www.hol.edu. Please do not begin your course prior to registration.

PAYMENT • Payment is due at the point of registration. We accept Visa, Master-Card, American Express, Discover, check, or Purchase orders. Make checks payable to The Heritage Institute and mail to: The Heritage Institute, PO Box 1273, Freeland, WA 98249. NSF checks incur a \$20 charge.

PURCHASE ORDER • To register with a purchase order, send your completed registration form to your district with instructions to forward it to THI with the purchase order.

THE HERITAGE INSTITUTE & ANTIOCH UNIVERSITY'S

RELATIONSHIP • The Heritage Institute and Antioch University Seattle are separately incorporated and are affiliated by a contractual agreement under whose terms Antioch University Seattle reviews and certifies the appropriateness of course content and instructor credentials.

TRANSCRIPTS • Transcripts are only available if you have earned Continuing Education credit at the 400 or 500 level. THI CEU (Hours), WA Clock Hours, and Oregon PDUs DO NOT APPEAR on an Antioch Transcript. Request THI CEU, WA Clock Hour, or OR PDU certificates directly from THI.

Transcripts for Continuing Education credits are processed through the National Student Clearinghouse at www.getmytranscript.com.

To be sure all courses completed within the past 60 days are included, review your Certificate of Course Completions by going to report.hol.edu, before ordering a transcript. It is important that you do not order before receiving credit verification.

For more information on how to Order a Transcript go to www.hol.edu, RESOURCES/FAQ, TRANSCRIPT.

Additional Information • Please visit our website at www.hol.edu, Resources/FAQ, and view Policies/Credits/FAQ for additional information on our policies.
